

Mediclinic and MLRM:

“The first agreement between Mediclinic and MLRM was signed in 2004, shortly after the list of health care topics were mailed to us by MLRM to assist us with patient education, training and other related purposes.

The business relationship between the Provider (of the protocols and product suite) and MLRM (the medico-legal consultant) and Mediclinic was always respectful and professional and our patients, staff and students experienced the protocols in a positive way that added true value to their lives...”
